ADDENDUM No. 2

April 7, 2020

This addendum forms a part of the Bid Documents for Bid #20-27 and modifies these documents.

General:

The City of Evanston Bid opening for BID 20-27 Special Recreation Camp SPARK Transportation scheduled for April 14, 2020 has been extended as follows:

BID OPENING: 2:00 P.M., Tuesday, April 21, 2020

Questions:

1. How many small buses (4) wheel chairs spaces do you need on a given day? Are we able to use buses with 1-2 WC spaces?

Answer: Yes, but this will likely increase the number of buses and drivers, potentially increasing fees.

2. How many large buses (6-8) wheel chairs spaces do you need on a given day? Are we able to use buses with less wheel chair slots?

Answer: This will be determined once the number of participants and their needs are determined.

3. How many walk-ons do you need for small and large buses?

Answer: Not all riders are in wheelchairs. We won't know exactly how many riders there will be until closer to camp starting. However, there may be anywhere up to 8 wheelchairs on a bus on a route.
4. Is this separate from your non special recreation camp? If it is separate when do you expect that to come out?

Answer: Yes, this is separate. The non-special rec camp bid was released on the same day as this one.

5. Will the bid opening still be taking place as scheduled?

Answer: Please see General section.

Note: Acknowledgment of this Addendum is required in the Bid.
