Civic Center Burner Replacement

Bid # 20-29

ADDENDUM No. 1

April 10, 2020

Any and all changes to the Contract Document are valid only if they are included by written addendum to all potential respondents, which will be mailed, emailed and/or faxed prior to the proposal due date to all who are known to have received a complete bid document. Each respondent must acknowledge receipt of any addenda by indicating on the Bid. Each respondent, by acknowledging receipt of any addenda, is responsible for the contents of the addenda and any changes to the Bid therein. Failure to acknowledge receipt of any addenda may cause the bid to be rejected. If any language or figures contained in this addendum are in conflict with the original document, this addendum shall prevail.

This addendum consists of the following:

1. Addendum Number One (1) is attached and consists of a total of forty (40) pages including this cover sheet.

Please feel free to call (847-866-2971) or email (jostman@cityofevanston.org) with any questions or comments.

Sincerely,

Jillian Ostman
Purchasing Specialist
Civic Center Burner Replacement

Bid # 20-29

ADDENDUM No. 1

April 10, 2020

This addendum forms a part of the Specifications and Bid Documents and modifies these documents. This addendum consists of this letter and the following re-issued drawings and specifications:

Clarifications to Questions Received:

1. Question: What is the model number of the existing Kewanee boilers at the Lorraine H. Morton Civic Center?
   Response: The model number for the Kewanee boilers is KX83.

2. Question: Is there a phone number for someone that we can arrange a site visit to the Civic Center Powerhouse?
   Response: In light of Governor Pritzker’s Stay at Home Order, we will not be allowing a site visit for this bid. Please find attached photos of the Civic Center Powerhouse.

3. Question: The specification calls out three burners as approved. These are Powerflame (Model C3-G-25BHTD), Weishaupt (Model WM-G20/2-A ZM), and Riello (Model RS-190). Is it acceptable to bid with a Webster burner for this project?
   Response: Yes, the Webster JBS(x)2-S-30 is an acceptable model.

4. Question: Is it possible to get a copy of the utility bills in order to determine potential energy efficiency rebates?
   Response: No, it is inappropriate to share the utility bills at this time. We can share the utility bills after the contract is awarded.

Attachment:

1. Civic Center Powerhouse Photos

Note: Acknowledgment of this Addendum is required in the Bid.
