1.0 INTRODUCTION

The City of Evanston, is a community of 75,000 located just north of Chicago. A Council-Manager form of government has been adopted with the City Manager as the chief administrative officer. Although the City is primarily residential in nature, it does have a number of commercial areas and Northwestern University is located in the eastern quadrant of the City of Evanston.

The City is seeking statements of qualifications from experienced engineering firms for the Chicago Avenue Corridor Improvements from Howard Street to Davis Street. Chicago Avenue is a major north-south arterial, connecting to Sheridan Road, Northwestern University and further with the north shore communities as well with the City of Chicago at the south. It is under the jurisdiction of the City of Evanston. The land use adjacent to the Chicago Avenue Corridor consists of commercial, and residential developments. The Main Street and Dempster Street Business Districts are located within the project limits. In addition, Metra Union Pacific North Line has major train stations along the Chicago Avenue Corridor. CTA & Northwestern shuttle service buses have stops along Chicago Avenue Corridor as well.

The contract term desired is for a period of Eighteen (18) to Twenty-four (24) months for the completion of the Phase I and including getting the design approval from IDOT. Phase I is expected to be complete by 2022. As it is the intention of the City to award Phase I, Phase II and Phase III to the same engineering firm, responding firms should provide statement of qualifications pertaining to all three phases. The scope of Phase II Engineering and Construction Engineering may be negotiated after successful completion of Phase I Engineering.

Contact with City personnel in connection with this RFQ shall not be made other than as specified in this RFQ Unauthorized contact of any City personnel may be cause for rejection of a proposal.

Prior to the submittal of a proposal, Proposers are advised to carefully examine
- the contract documents
- project scope and work tasks to be accomplished
- specifications
- submittal requirements
- insurance requirements and required documentation

Proposers are advised to become thoroughly familiar with all conditions, instructions and specifications governing this RFQ. Proposals shall be made in accordance with these instructions. Proposals shall be submitted on the forms provided by the City

Each Proposer, by submitting a response to this RFQ, expressly recognizes the limitations on its rights to protest provided in this Section and expressly waives all other rights and remedies and agrees that the decision on the protest is final and conclusive. If a Proposer disregards, disputes or does not follow the exclusive protest remedies provided in this Section, it shall indemnify and hold the City and its officers, employees, agents and consultants harmless from and against all liabilities, fees and costs, including legal and consultant fees and costs, and damages incurred or suffered as a result of such Proposer’s actions. Failure of any Proposer to comply with the obligation specified herein may result in the voiding any subsequent contract award to Proposer if the City discovers upon the exercise of its customary due diligence that Proposer failed to comply with the mandatory obligation in this Section. The City reserves all rights to take any other actions in the case of a Proposer’s non-compliance with this Section.

EXHIBIT F

CITY OF EVANSTON M/W/EBE POLICY

A City of Evanston goal is to provide contracting and subcontracting opportunities to Minority Business Enterprises, Women Business Enterprises, and Evanston Business Enterprises. The goal of the Minority, Women and Evanston Business Enterprise Program (M/W/EBE) is to assist such businesses with opportunities to grow. To assist such growth, the City's goal is to have general contractors utilize M/W/EBEs to perform no less than 25% of the awarded contract.

Firms bidding on projects with the City must work to meet the 25% goal or request a waiver from participation. It is advised that bidders place advertisements requesting subcontractors and that they email or contact individual firms that would be appropriate to partner in response to the project. For samples of possible advertisements, see the City of Evanston’s Business Diversity Section http://www.cityofevanston.org/business/business-diversity/ (Sample Advertisement). If you request a paper copy of the additional documents, it will be available free of charge from the Purchasing Office, 2100 Ridge Road Suite 4200, Evanston, IL 60201.

If a bidder is unable to meet the required M/W/EBE goal, the Bidder must seek a waiver or modification of the goal on the attached forms. Bidder must include:

1. A narrative describing the Bidder’s efforts to secure M/W/EBE participation prior to the bid opening.
2. Documentation of each of the assist agencies that were contacted, the date and individual who was contacted, and the result of the conversation (see form)
3. A letter attesting to instances where the bidder has not received inquiries/proposals from qualified M/W/EBEs
4. Names of owners, addresses, telephone numbers, date and time and method of contact of qualified M/W/EBE who submitted a proposal but were not found acceptable.
5. Names of owners, addresses, telephone numbers, date and time of contact of at least 15 qualified M/W/EBEs the bidder solicited for proposals for work directly related to the Bid prior to the bid opening (copies must be attached).

If a bidder is selected with a Subcontractor listed to meet the M/W/EBE goal, a “monthly utilization report” will be due to the City prior to each payment being issued to the Contractor. This report will include documentation of the name of the firm hired, the type of work that firm performed, etc. Should the M/W/EBE not be paid according to the schedule proposed in this document, the City reserves the right to cancel the contract. Examples of this monthly form can be found on the City’s website: http://www.cityofevanston.org/business/business-diversity/ (MWEBE Monthly Utilization Report).

Such indemnification shall not be limited by reason of the enumeration of any insurance coverage herein provided. This provision shall survive completion, expiration, or termination of this Agreement.

Nothing contained herein shall be construed as prohibiting the City, or its officers, agents, or employees, from defending through the selection and use of their own agents, attorneys, and experts, any claims, actions or suits brought against them. The Consultant shall be liable for the costs, fees, and expenses incurred in the defense of any such claims, actions, or suits. Nothing herein shall be construed as a limitation or waiver of defenses available to the City and employees and agents, including but not limited to the Illinois Local Governmental and Governmental Employees Tort Immunity Act, 745 ILCS 10/1-101 et seq.

At the City Corporation Counsel’s option, Consultant must defend all suits brought upon all such Losses and must pay all costs and expenses incidental to them, but the City has the right, at its option, to participate, at its own cost, in the defense of any suit, without relieving Consultant of any of its obligations under this Agreement. Any settlement of any claim or suit related to this Agreement by Consultant must be made only with the prior written consent of the City Corporation Counsel, if the settlement requires any action on the part of the City.

To the extent permissible by law, Consultant waives any limits to the amount of its obligations to indemnify, defend, or contribute to any sums due under any Losses, including any claim by any employee of Consultant that may be subject to the Illinois Workers Compensation Act, 820 ILCS 305/1 et seq. or any other related law or judicial decision, including but not limited to, Kotecki v. Cyclops Welding Corporation, 146 Ill. 2d 155 (1991). The City, however, does not waive any limitations it may have on its liability under the Illinois Workers Compensation Act, the Illinois Pension Code or any other statute.

Consultant shall be responsible for any losses and costs to repair or remedy work performed under this Agreement resulting from or arising out of any act or omission, neglect, or misconduct in the performance of its Work or its subConsultants’ work. Acceptance of the work by the City will not relieve the Consultant of the responsibility for subsequent correction of any such error, omissions and/or negligent acts or of its liability for loss or damage resulting

Revised 10-14 (09-17)
therefrom. All provisions of this Section shall survive completion, expiration, or termination of this Agreement.

The City may also require Consultant to provide copies of the Additional Insured Endorsement to said policy(ies) which name the City as an Additional Insured for all of Consultant’s Services and work under this Agreement. Any limitations or modification on the certificate of insurance issued to the City in compliance with this Section that conflict with the provisions of this Section shall have no force and effect. Consultant’s certificate of insurance shall contain a provision that the coverage afforded under the policy(s) will not be canceled or reduced without thirty (30) days prior written notice (hand delivered or registered mail) to City. Consultant understands that the acceptance of certificates, policies and any other documents by the City in no way releases the Consultant and its subcontractors from the requirements set forth herein. Consultant expressly agrees to waive its rights, benefits and entitlements under the “Other Insurance” clause of its commercial general liability insurance policy as respects the City. In the event Consultant fails to purchase or procure insurance as required above, the parties expressly agree that Consultant shall be in default under this Agreement, and that the City may recover all losses, attorney’s fees and costs expended in pursuing a remedy or reimbursement, at law or in equity, against Consultant.

Consultant acknowledges and agrees that if it fails to comply with all requirements of this Section, that the City may void this Agreement.

Consultant agrees (i) to treat, and to obligate Consultant’s employees to treat, as secret and confidential all such information whether or not identified by City as confidential, (ii) not to disclose any such information or make available any reports, recommendations and /or conclusions which Consultant may make for City to any person, firm or corporation or
use the same in any manner whatsoever without first obtaining City’s written approval, and (iii) not to disclose to City any information obtained by Consultant on a confidential basis from any third party unless Consultant shall have first received written permission from such third party to disclose such information.

Pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/7(2), records in the possession of others whom the City has contracted with to perform a governmental function are covered by the Act and subject to disclosure within limited statutory timeframes (five (5) working days with a possible five (5) working day extension). Upon notification from the City that it has received a Freedom of Information Act request that calls for records within the Consultant’s control, the Consultant shall promptly provide all requested records to the City so that the City may comply with the request within the required timeframe. The City and the Consultant shall cooperate to determine what records are subject to such a request and whether or not any exemptions to the disclosure of such records, or part thereof, is applicable. Vendor shall indemnify and defend the City from and against all claims arising from the City’s exceptions to disclosing certain records which Vendor may designate as proprietary or confidential. Compliance by the City with an opinion or a directive from the Illinois Public Access Counselor or the Attorney General under FOIA, or with a decision or order of Court with jurisdiction over the City, shall not be a violation of this Section.

L. Use of City’s Name or Picture of Property. Consultant shall not in the course of performance of this Agreement or thereafter use or permit the use of City’s name nor the name of any affiliate of City, nor any picture of or reference to its Services in any advertising, promotional or other materials prepared by or on behalf of Consultant, nor disclose or transmit the same to any other party.

M. No Assignments or Subcontracts. Consultant shall not assign or subcontract all or any part or its rights or obligations hereunder without City’s express prior written approval. Any attempt to do so without the City’s prior consent shall, at City’s option, be null and void and of no force or effect whatsoever. Whenever the City deems it reasonably necessary for security reasons, the City may conduct at its own expense, criminal and driver history background checks of Consultant’s officers, employees, subcontractors, or agents. Consultant shall immediately reassign any such individual who in the opinion of the City does not pass the background check.

O. Liens and Encumbrances. Consultant, for itself, and on behalf of all subcontractors, suppliers, materialmen and others claiming by, through or under Consultant, hereby waives and releases any and all statutory or common law
mechanics’ materialmens’ or other such lien claims, or rights to place a lien upon City property or any improvements thereon in connection with any Services performed under or in connection with this Agreement. Consultant further agrees, as and to the extent of payment made hereunder, to execute a sworn affidavit respecting the payment and lien releases of all subcontractors, suppliers and materialmen, and a release of lien respecting the Services at such time or times and in such form as may be reasonably requested by City. Consultant shall protect City from all liens for labor performed, material supplied or used by Consultant and/or any other person in connection with the Services undertaken by consultant hereunder, and shall not at any time suffer or permit any lien or attachment or encumbrance to be imposed by any subcontractor, supplier or materialman, or other person, firm or corporation, upon City property or any improvements thereon, by reason or any claim or demand against Consultant or otherwise in connection with the Services.

SUBJECT: Migration from paper submittals to temporary electronic bidding

The City is “open for essential business only” and we are continuing to move forward with our planned projects for 2020 during the current CVOID-19 environment.

However, the City Civic Center is closed to the public and the majority of City employees. The City currently has no ability to receive UPS or FedEx packages requiring signature and/or time stamp. In lieu of receiving paper bids and conducting a public bid opening, the City will be temporarily accepting these bids on DemandStar.com.

Attached are “Guides” provided by DemandStar to help respondents: register and create an account; find the project(s) online they want to respond to; post bid/rfp/rfq’s to their website; and E-bidding FAQ that will be helpful with this process.

Questions regarding the submission of bids are EXEMPT from the last date and time deadline for questions in the bid document and any addendums issued or to be issued.

Bid/RFP/RFQ Submittal Requirements

The City is utilizing the eBidding module to take the place of the paper bid that would normally be sent to the City Civic Center. Respondents are still required to complete all of the bid documents and provide all of the requested information in a pdf file(s) as if they were submitting a paper bid. We suggest each respondent create their account prior to attempting to upload your submittals (please try to give yourself at least 24 hours in advanced). No documents can be added after the project deadline.
Bid Bonds

If required by the bid documents, a scanned copy of the bid bond must be included in the pdf file submission. The City is currently not able to accept a certified check, bank cashier’s check or electronic bid bond at this time.

The original bid bond must be mailed within ten (10) days to the City of Evanston Purchasing Office in Room 4200 of the Lorraine H. Morton Civic Center located at 2100 Ridge Avenue, Evanston, Illinois 60201 Attention Purchasing Manager via the United States Postal Service only. The City recommends using the USPS certified or priority mail options in order to have a tracking number. UPS and FedEx packages may not be received at City Civic Center.

Thank you for your patience as we work through this process and the City looks forward to receiving your bid/rfp/rfq submittal(s).

Should you have any questions or concerns, I can be reached at either 847-866-2935 or tnunez@cityofevanston.org.

Sincerely,

Tammi Nunez
Purchasing Manager

(E-bidding) Electronic Bidding Instructions
Introduction

To submit a bid electronically (e-bidding) on DemandStar

• The project **MUST** be setup for e-bidding by the government agency advertising the opportunity
How to check if it is an e-bidding opportunity

- Not all opportunities posted on DemandStar by government are available for e-bidding
- Those that are available for you to electronically bid will list “e-bidding” as an available “ACTION” when you look at the project details
In order to do e-bidding

1. Click on “E-bidding” in the actions column
In order to do e-bidding

2. Enter your contact information and enter in all required fields.

Note: You **MUST** put a number of the “BID AMOUNT” box. However, that number can be 0 so as to allow for a more detailed description of your bid through your uploaded documents.
In order to do e-bidding

- In the agency required documents section – check the documents you intend on uploading and fulfilling. By checking these boxes this is **ONLY** an acknowledgement of how you will fulfill the requirement. You still have to upload the documents.
In order to do e-bidding

Upload your response documents in an accepted file format

Make sure that you have covered and uploaded all the required documents
In order to do e-bidding

Once you decide you’ve uploaded all your documents that you would like to submit, make sure you click the NEXT button at the bottom of the screen.
Completing your e-bid submittal

- Please **VERIFY** that you have attached **ALL** the required documents

- Click on the **Submit Response** button to complete your e-bid
Confirmation of Response

• When you complete you will receive a confirmation

• This is a confirmation that what you uploaded will be visible to the agency when the bid closes, **this is not** a confirmation that all your documents were fill out or submitted correctly
If you feel like you missed something or need to make a change you can go back to your submittal response and edit your e-bid. By clicking on “DETAILS” then “EDIT” the section you wish.
DemandStar E-Bidding: Frequently Asked Questions

- Do suppliers need to be registered with DemandStar to participate in e-bidding?
  Yes. But if they don't already have an account with DemandStar, they can sign up and either
  o Be a subscriber for only your agency, at no charge, and be able to download documents at no charge and then receive notifications that match their commodity codes
  o Be a “basic supplier” for free - who researches on our platform and then pays $5 to download all documents, thus becoming a plan holder
  o Be a paid subscriber for a county, state, national and receive notifications from all included agencies

- Can suppliers respond with document uploads or do they simply fill in forms?
  Yes, they may respond with document uploads that are available to you via the DemandStar platform.

- What type of E-Bidding Documents can be uploaded?
  Acceptable file formats for sending back documents that the city will accept:

  **E-Bidding Documents**

<table>
<thead>
<tr>
<th>Document Types</th>
<th>Bidding Documents - Exhibits</th>
<th>Pricing</th>
<th>Bid Bond</th>
</tr>
</thead>
<tbody>
<tr>
<td>File Formats</td>
<td>Adobe Acrobat (*.PDF)</td>
<td>Microsoft Excel (*.XLS)</td>
<td>Microsoft Excel (*.XLSX)</td>
</tr>
</tbody>
</table>

- Is there a maximum file size that I can upload?
  Vendors can simply upload a single file or multiple documents as long as it doesn’t exceed 100 MBs (single or multiple files)

- After a bid opening, what document(s) are made public by DemandStar?
  None. Only the agency can see the vendor responses so you are the only ones who will determine what you want to download and make public.

- Who do I call if I have questions or problems with the DemandStar?
  The City strongly encourages each respondent to setup their account and to explore the eBidding module at least a couple of days before the bid due date.
  
  If you have questions or issues creating your account, accessing the eBidding module or submitting your bid prior to the bid due date, please contact DemandStar at 866.273.1863 or by email at hello@demandstar.com.
