5. Public Comment

No public comment.

6. Consideration
a. Dawes School Mural Proposal

Ms. Healey and Ms. Riseborough praised the design of the mural presented by Ms. Marelene Aponte, Principal at Dawes Elementary School and design by Split Red Collective.

Ms. Riseborough recommended using a brighter shade of colors on the Spanish words because it gets lost against the color of the brick.

Ms. Aponte mentioned students and families will be invited to participate in painting the mural. The project is slated to start the week of August 10.

Ms. Riseborough moved to approve financial support of $2,500 for the mural. Ms. Healey seconded the motion. Motion carried 4-0.

b. Noyes Site Selection

Two sites were suggested: by the main entrance sign and by the sign in the parking lot.

No concrete ideas were offered. Ms. Riseborough suggested Ms. Martínez and Ms. Healey meet with Chicago Public Art Group (CPAG) to ask for concept ideas.

7. Discussion

a. BLM Site Selection

Two sites were suggested: south end of fountain square and Raymond Park. Ms. Martínez will follow up with Public Works to assess the feasibility of the sites.

Harper Gardens was discarded as an option, as it is right across from the building and the building will install a sculpture as well. Additionally the garden was deemed small to install an impactful art installation.

b. Washington Mural Report

Ms. Martínez reported the mural has not started.

c. Public Art Map

Ms. Riseborough asked the subcommittee for help gathering missing information. Ms. Martínez will share the file with the group and divide up the work.

8. Announcements

No announcements.

9. Adjournment

The meeting was adjourned at 7:01 p.m.
