PART VIII
GLOSSARY
**ACCRUAL BASIS:** The basis of accounting under which transactions are recognized when they occur, regardless of the timing of estimated cash flows.

**ACCRUED EXPENSES:** Expenses incurred but not due until a later date.

**ACTIVITY:** A specified and distinguishable line of work performed by a Division.

**AFSCME:** American Federation of State, County and Municipal Employees, a labor union representing some City of Evanston employees.

**ALERTS:** Allows officers access to driver's license, registration, warrant and other computerized law enforcement data. The ALERTS system also provides for inter-car communications via in-car data terminals.

**ASSESSED VALUATION:** A value that is established for real or personal property for use as a basis for levying property taxes. (Note: Property values are established by the Cook County Assessor's Office.)

**AUDIT:** An examination of an organization's financial statements and the utilization of resources.

**BALANCED BUDGET:** A budget in which revenues equal expenses.

**BOCA:** Building Officials and Code Administrators International, an organization that writes the guidelines for basic community building codes.

**BOND:** A written promise to pay a specified sum of money, called the face value or principal amount, at a specified date in the future, called the maturity date, together with periodic interest at a specified rate.

**BOND RATING:** An assessment of the likelihood that a bond issuer will pay the interest on its debt on time. Bond ratings are assigned by independent agencies, such as Moody's Investors Service and Standard & Poor's. Ratings range from AAA or Aaa (highest) to D (in default). Bonds rated below B are not investment grade and are called high-yield or junk bonds. Since the likelihood of default is greater on such bonds, issues are forced to pay higher interest rates to attract investors. Evanston is rated as an Aa2 community by Moody’s Investors Service.

**BONDED DEBT:** Portion of indebtedness represented by outstanding bonds.

**BUDGET:** A fiscal plan showing estimated expenditures, revenue, and service levels for a specific fiscal year.

**BUDGET ADJUSTMENT:** Legal procedure utilized by the City staff and Council to revise an adopted budget. The City of Evanston has a written budget adjustment policy that allows adjustments in accordance with the City Code.

**BUDGET CALENDAR:** The schedule of key dates or milestones, which the City departments follow in the preparation, adoption and administration of the budget.

**BUDGET DOCUMENT:** Instrument used by the budget-making authority to present a comprehensive financial plan of operations to the City Council.

**BUDGET MESSAGE:** The opening section of the budget document, which provides the City Council and the public with a general summary of the most important aspects of the budget, including current and previous fiscal years, and the views and recommendations of the City Manager.
**Glossary**

**Budgetary Control:** The control or management of a governmental or enterprise fund in accordance with an approved budget to keep expenditures within available revenue.

**Capital Expenditure (also known as Capital Outlay):** Refers to the purchase of land, buildings, and other improvements and also the purchase of machinery and equipment items which have an estimated useful life of three years or more and belong to the classes of property commonly considered as fixed assets.

**Capital Improvement Plan (CIP):** A plan for capital expenditures to provide long-lasting physical improvements to be incurred over a fixed period of several future years.

**Capital Improvement Plan Budget:** A Capital Improvement Program (CIP) budget is a separate budget from the operating budget. Items in the CIP are usually construction projects designed to improve the value of government assets.

**Capital Project:** A specific identifiable improvement or purpose for which expenditures are proposed within the capital budget or capital improvement plan. Examples of capital improvement projects include new roads, sewer lines, buildings, operating systems, recreational facilities, and large scale remodeling.

**Capital Project Fund:** A fund created to account for financial resources to be used for the acquisition or the construction of major capital facilities or equipment.

**Comprehensive Annual Financial Report (CAFR):** A governmental unit's official annual report prepared and published as a matter of public record, according to governmental accounting standards.

**Contingency:** A budgetary reserve, set aside for emergencies or unforeseen expenditures not otherwise budgeted.

**Contractual Services:** Expenditures for services which are obtained by an express or implied contract. Major types of contractual services are: (1) advertising and printing; (2) maintenance and repair services; (3) public utility services; and (4) travel and training.

**Debt Service:** The City’s obligation to pay the principal and interest of all bonds and other debt instruments according to a predetermined payment schedule.

**Debt Service Fund:** A fund established to account for the accumulation of resources for the payment of principal and interest on long term debt.
DEFICIT: The excess of the liabilities of a fund over its assets; or the excess of expenditures over revenues during an accounting period; or, in the case of proprietary funds, the excess of expense over income during an accounting period.

DEPARTMENT: Administrative subsection of the City that indicates management responsibility for an operation.

DEPRECIATION: That portion of the cost of a capital asset that is charged as an expense during a particular period. This is a process of estimating and recording the lost usefulness, expired useful life, or diminution of service from a fixed asset that cannot or will not be restored by repair and will be replaced. The cost of the loss of usefulness of a fixed asset is the depreciation or the cost to reserve in order to replace the item at the end of its useful life.

DISTINGUISHED BUDGET AWARD: A voluntary program administered by the Government Finance Officers Association to encourage governments to publish well-organized and easily-readable budget documents and to provide peer recognition and technical assistance to the fiscal officers preparing them.

ENCUMBRANCE: Obligations in the form of purchase orders and contracts which are chargeable to a budgetary account and for which a part of the balance is reserved because the goods or services have not been received. When paid, the encumbrance is liquidated.

ENTERPRISE FUND: A fund established to account for operations that are financed and operated in a manner similar to private business enterprises – where the intent of the governing body is that the costs of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges.

ETSB: Emergency Telephone Systems Board.

EXPENDITURES: This term refers to the outflow of funds paid or to be paid for an asset obtained or goods and services obtained, regardless of when the expense is actually paid. Note: An encumbrance is not expenditure. An encumbrance reserves funds to be expended for a future date.

EXPENSES: A decrease in net total assets. Expenses represent the total cost of operations during a period regardless of the timing of related expenditures.

FICA: Federal Insurance Contribution Act, the name of the piece of federal legislation that established the Social Security payroll tax. The current FICA tax rate is 15%, half of which is paid by the employer and half by the employee.

FISCAL YEAR (FY): The time period designating the beginning and ending period for recording financial transactions. The City of Evanston moved to a calendar year fiscal year beginning in FY2012.

FIXED ASSETS: Assets of a long term character which are intended to continue to be held or used, such as land, buildings, machinery and equipment.

FRANCHISE FEE: The fee paid by public service businesses for use of City streets, alleys, and property in providing their services to the citizens of a community. Services requiring franchises include electricity, telephone, natural gas, and cable television.
FULL ACCRUAL BASIS: The basis of accounting under which transactions are recognized when they occur, regardless of the timing of estimated cash flows.

FULL-TIME EQUIVALENT (FTE): Staff hours equal to one full-time employee; typically 37.5 or 40 hours per week, depending on position classification.

FUND: An accounting entity with a separate set of self-balancing accounts which comprise its assets, liabilities, fund balance, revenues and expenditures.

FUND ACCOUNTING: A governmental accounting system that is organized and operated on a fund basis.

FUND BALANCE: The assets of a fund less liabilities, as determined at the end of each fiscal year. Any reservations of fund balance are deducted to result in an “unreserved fund balance.”

FUND TYPE: In governmental accounting, all funds are classified into eight fund types: General, Special Revenue, Debt Services, Capital Projects, Special Assessment, Enterprise, Internal Service, and Trust and Agency.

GASB 67/68: Financial reports of defined benefit pension plans.

GENERAL FUND: The largest fund within the City, the General Fund accounts for most of the financial resources of the government. General Fund revenues include property taxes, licenses and permits, local taxes, service charges, and other types of revenue. This fund usually includes most of the basic operating services such as fire and police protection, parks, recreation and community services, public works, health, community development, and general administration.

GENERAL ACCEPTED ACCOUNTING PRINCIPLES (GAAP): Uniform minimum standard of and guidelines to financial accounting and reporting. They govern the form and content of the basic financial statements of an entity. They encompass the conventions, rules, and procedures necessary to define accepted accounting practice at a particular time. They include not only broad guidelines of general application, but also detailed practices and procedures. They provide a standard by which to measure financial presentations.

GENERAL OBLIGATION (GO) BONDS: Bonds that finance public projects such as streets, municipal facilities, and park improvements. The repayment of these bonds is made from property taxes, and these bonds are backed by the full faith and credit of the issuing government.

GFOA: Government Finance Officers Association.

GPS: Global Positioning System, equipment that has the ability to survey the location of an object.

GRANT: A contribution by a government or other organization to support a particular function. Typically, these contributions are made to local governments from the state and federal governments.

IDOT: Illinois Department of Transportation.

IEPA: Illinois Environmental Protection Agency.

IMRF: Illinois Municipal Retirement Fund, a pension plan for employees of member cities within the State of Illinois.
**INCOME:** A term used in proprietary fund type accounting to represent revenues, or the excess of revenues over expenses.

**INFRASTRUCTURE:** The underlying permanent foundation or basic framework.

**INTEREST EARNINGS:** The earnings from available funds invested during the year in U.S.

**INTERFUND TRANSFER:** Amounts transferred from one fund to another.

**INTERNAL SERVICE FUND:** Fund used to account for the financing of goods or services provided by one department to another department on a cost reimbursement basis.

**INVESTMENTS:** Securities and real estate held for the production of revenues in the form of interest, dividends, rentals, or lease payments. The term does not include fixed assets used in governmental operations.

**ISO:** Insurance Services Office, a non-profit organization that grades the Fire Department’s ability to provide service to a community, which is reflected in the insurance premium paid by the occupier.

**LIABILITIES:** Debts or other legal obligations arising out of transactions in the past which must be liquidated, renewed, or refunded at some future date.

**LONG-TERM DEBT:** Debt with a maturity of more than one year after the date of issuance.

**MABAS:** Mutual Aid Box Alarm System. This system was established to provide a swift, standardized and effective method of mutual aid assistance for extra alarm fires and mass casualty incidents. The MABAS system is divided into over 20 Divisions from the communities along I-53 and the Northwest Tollway corridor.

**MAINTENANCE:** All materials or contract expenditures covering repair and upkeep of City buildings, machinery and equipment, systems, and land.

**MFT:** Motor Fuel Tax, represents revenues for the City’s share of gasoline taxes, allotted by the state for street improvements.

**MODIFIED ACCRUAL BASIS:** The accrual basis of accounting adapted to the governmental fund type spending measurement focus. Under it, revenues are recognized when they become both “measurable” and “available” to finance expenditures of the current period. Expenditures are recognized when the related fund liability is incurred except for (1) inventories of materials and supplies which may be considered expenditures either when purchased or when used; (2) prepaid insurance and similar items which need not be reported; (3) accumulated unpaid vacation, sick pay, and other employee benefit amounts which need not be recognized in the current period, but for which larger than normal accumulations must be disclosed in the notes to the financial statements; (4) interest on special assessment indebtedness which may be recorded when due rather than accrued, if offset by interest earnings on special assessment levies, and (5) principal and interest on long-term debt which are generally recognized when due.
MOODY’S INVESTMENT RATING SERVICE: An independent agency that analyzes the financial credit ratings of organizations. These ratings are based on debt issuance and carry a three letter coding. The City possesses a Prime-1 rating level, which is Aa1.

MUNICIPAL: Of or pertaining to a city or its government.

NORTAF: North Regional Major Crimes Task Force, this task force was established to serve as a standing task force that would be available to its member agencies for the investigation of major crimes, including homicides and non-parental kidnappings. Member communities include Evanston, Glencoe, Glenview, Kenilworth, Lincolnwood, Morton Grove, Niles, Northbrook, Northfield, Skokie, Wheeling, Wilmette, and Winnetka.

OBJECTIVES: The objectives in the performance area of the budget are statements of one-time projects. These statements are intended to address either a new service or project, or a significant change in focus or priority in response to a special community need or City effort to improve productivity. Objectives are generally limited to one fiscal year.

ONGOING ACTIVITY MEASURES: These measures provide annual workload data on the activities of the City, which occur on an ongoing basis, year after year

OPERATING BUDGET: A financial plan outlining the estimated revenues and expenditures and other information for a specific period (usually a fiscal year). The “proposed budget” is the financial plan presented by the City Manager for consideration by the City Council, and the “adopted budget” is the financial plan ultimately approved and authorized by the City Council.

OPERATING EXPENSES: Proprietary fund expenses that are directly related to the fund’s primary service activities.

OPERATING INCOME: The excess of proprietary fund operating revenues over operating expenses.

OPERATING REVENUES: Proprietary fund revenues that are directly related to the fund’s primary service activities. They consist primarily of user charges for services.

PENSION TRUST FUNDS: Funds created to account for assets held by the City in a trustee capacity or as an agent for individuals, private organizations, other governmental units, and/or other funds. These include the funds for the Police and Fire Pension Boards.

PER CAPITA COSTS: The cost of service per person. Per capita costs in Evanston are based on a 74,486 estimated population provided by the 2010 Census.
